AUBURN CITY COUNCIL'S Financial Year in Review

Auburn City Council delivers a range of essential services and facilities to the community. These include:

- Waste and recycling collections
- Street cleaning
- 238 km roads, 315 km footpaths, 220 km of verges and 185 km drainage pipes
- 90 parks, 15 sportsgrounds and a swimming pool
- 4 Libraries
- Community buildings and programs
- DA assessment and environmental protection

To fund these facilities and services Council generates income from a number of sources which includes residential and business rates, grant funding and revenue from investments. In 2010/2011 Council's total income was \$62,139,888.

To ensure services and programs are delivered to the Auburn Community, Council spends money on paying wages, loan repayments, materials and services. In 2010/2011 the total expenditure was \$57,985,410.

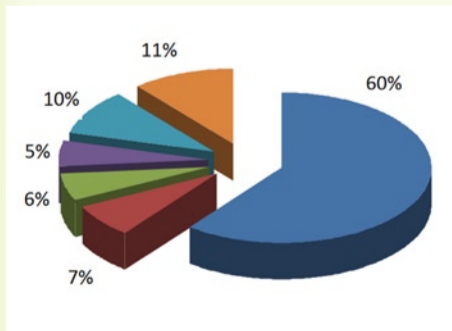

Council managed to achieve a surplus of \$4,154,478 in 2010/2011.

In addition to maintaining and renewing its existing facilities and undertaking regular service delivery, Council has spent over \$13 million in community infrastructure funds for community facility projects during the 2010/11 financial year. Key projects have included the development of:

	Roads and footpaths	\$3,782,725
	Station Road Bridge	\$3,300,000
